As a parent/legal guardian of a registered Latchkey participant, I am fully aware of and understand that my child will be released to the supervision of a program instructor to attend an afterschool class during the time he/she is checked-in for Latchkey. Following the check-in procedure at Latchkey, my child will go to the classroom for the duration of the class and return to Latchkey at the end of the class. Release from Latchkey at the end of the day will follow the established check-out procedure as outlined in the Parent Handbook.
